

How It Works

It's easy! To be able to direct their grant to your organisation, your supporters simply need to nominate you as their community organisation when they either:-

1. Open an account with us or
2. Become a TUMU Priority Cash Card holder

If they already have an account or priority card they can simply drop into their local store, or give us a call and we will amend their account accordingly.

From then on they are eligible for all of the benefits that TUMU customers enjoy including:

- Every day low prices and in store specials
- Bulk rate pricing for larger projects
- Exclusive Priority Cash Card holder promotions and/or advance notice of sales & specials.

By encouraging your supporters to make purchases at TUMU ITM Building Centres and nominating your organisation – your organisation can raise funds for whatever project you have in mind
