

How It's Calculated

Every time your supporters purchase from a TUMU ITM Building Centre, a grant will be allocated to your organisation as follows:

- Invoice values up to \$1000
1.5% of the invoice value
- Invoice values over \$1000
1% of the invoice value
- Invoice over \$7500
0.5% of the invoice value

Grants are GST exempt

Farmacard holders qualify for a grant of 0.5% in addition to their regular Farmacard benefits.

Offer does not apply to ITM Tradeclub members.

TUMU Community Support will send you a grant every six months. There's no limit – it depends entirely on how much your supporters spend.
